

## Rotorua Intermediate School

*Our Mission Statement: Courage & Commitment  
Kia Kaha, Kia Maia*

### Rotorua Intermediate School now have a School App!

Go to the App Store on your Apple or Android Device and Search Rotorua Intermediate School to download the App to your phone or tablet.

School Apps NZ

schoolsapps.co.nz

### Connected at all times..

Notifications to parents & students through their device.

### Receive notifications

After downloading this app to your device, you will see all the features that are available. There are 9 features. To receive notifications that are applicable to your child, you will need to do the following:

Open **Settings** on the app,

Open **Alert Subscriptions**, and under each of the headings, select what is applicable to you. Eg Select **Academic**, and then **Pukaki 1** to see notices for just **Pukaki 1**. Select what is applicable in **Community**, **Cultural** and **Sports** as well.

Parents and students select the groups they subscribe to and they will receive the 'alert' you have sent out through their notification panel on their device, just like Facebook push notifications.

HPV Education Session.  
RIS Swimming Sports-Aquatic Centre.  
Hurungaterangi House to Movies.  
10—1pm.

### School Values:

Respect for self

Respect for others

Responsibility for all your actions

## “Did you make a ‘New Year’s Resolution for 2017?”

I love the challenge of an oncoming year when you ask yourself those ‘What if?’ questions. What if I was to work on my fitness? What if I started to better manage my food intake? What if I were to read more books and watch less TV? As adults these often seem to be annual questions.

When each year starts at Rotorua Intermediate we also challenge our students with ‘What if?’ questions. What if last year’s achievements didn’t really reflect your potential? What if the sports team you played for last year didn’t give you the opportunities to use your talents? What would you do different this year to discover your new potential? What if you doubled your efforts working in class - what might you be capable of achieving?

Carl Bard stated, “Though no one can go back and make a brand new start, anyone can start from now and make a brand new ending.” Hence the reason for these questions to our students at Rotorua Intermediate.

It is our professional responsibility to ensure our students don’t approach their future with a ‘Fixed Mindset’, based on historical events and achievements. They must be encouraged to adopt the belief of a ‘Growth Mindset’.

The concept of a ‘Growth Mindset’ was promoted by Professor Carol Dweck from Stanford University. She suggests that the brain is like a muscle, in order to explain the idea that minds are capable not just to be filled but of being expanded. Therefore teachers and parents need to be constantly looking for ways in which every young person’s mind can be stretched and strengthened. This approach will motivate students to have a vision of a brand new ending.

Let’s ensure as parents and teachers our ‘New Year’s resolution’ is to foster the potential and a growth mindset in our students.

Garry de Thierry  
Principal

## To Parents/ Caregivers

Hi my name is Becs and I am the Public Health Nurse (PHN) for Rotorua Intermediate. I work with a group of Registered nurses who work with families, the community, teachers and schools to ensure children are healthy and ready to learn.

The Public Health Nurses in the Rotorua area are assigned primary and intermediate schools where we work closely with the teachers and staff.

We are available to support children, young people and their families to navigate through health care, social agencies and services. We can also provide health information and advice.

We work closely with schools as well as visiting families and whānau in their homes for follow up and helping them access the support they need.

Children learn best when they are healthy and feel good about themselves.

Please contact the school office/teacher or PHN office if you have any concerns about your child's health and development.

Feel free to contact me directly on **3437747**.

## STOP Rheumatic Fever

There is a nurse service to prevent rheumatic fever in our school.  
Rheumatic Fever damages children's hearts.

There is a **free nurse** available for children who have sore throats or skin infections like school sores, nits and scabies.

The nurse will be available from  
2—3pm on Mondays  
and  
9—10.15 am on Wednesdays  
at Rotorua Intermediate School.

Children and young people aged between 4 and 19 with sore throats or skin infections can also use the free clinic at Western Heights Health Centre in the afternoon between 3 and 6 pm Monday to Thursday or 3 and 5 pm Friday. Please call 3470565, txt 0224847628 ( 022 4throat) if you have questions or need help.

This clinic also operates during school holidays.

It is free to see the nurse and medicine will be provided. Children seen by the nurse stay registered with their usual GP.

**Please** get sore throats treated and protect children's hearts.
